Viking Mascot

Eric, the Red

Hello, I'm Eric the Red and to all you Vikings I extend my congratulations on your many accomplishments this year! Since Homecoming, Nov. 15, when I first became a part of the Dulles Viking clan, the Viking football went to the State Finals, the basketball team rated high in district, many students achieved outstanding scholastic ratings, Dulles teams and individuals have shown the Vikings to be champions in many interscholastic league athletic and literary contests, the FFA, Industrial Arts Club, Band and other student organizations have scored high in their competitive contests.

This is the year we wore out the Victory Flag.

Why, it was because of this Viking spirit that I ever came to Dulles in the first place! The Vikings stirred up a whirlwind of school spirit that blew through their hearts and pocketbooks to collect the funds necessary to purchase a nine-foot high fiberglass mascot--that's me! I am an example--a symbol--of what can be accomplished through the tremendous spirit of the Vikings and I shall be proud to stand in the doorway of Dulles High School as an honorary representative of that spirit!

We of the Viking Staff, in compiling this pictorial record of the 1963-64 school year, have attempted to present a composite history of the activities as well as the spirit of John Foster Dulles High School. We sincerely hope that it brings you pleasure now and in the years to come.

SITTING: W. A. Brinkman, Dr. L. A. Wheeler, H. R. Shelton.

Our thanks to these gentlemen for the service which they have rendered to the school and the community.

The 1963-64 school year has been the most successful year at Dulles thus far. In many areas, scholastics, sports, extra-curricular activities, we have broken existing records. Congratulations to each of you for your contributions. The high degree of achievement and the magnificent school spirit which you have manifested will serve as an incentive to future students through the years.

To you Seniors we extend our very best wishes. Whether you plan further academic pursuits, or the business of earning a living, we say, good luck. Remember that respecting others, and getting along well with others are primary tenets in successful human relationships.

Your friend,
L. P. Rodgers

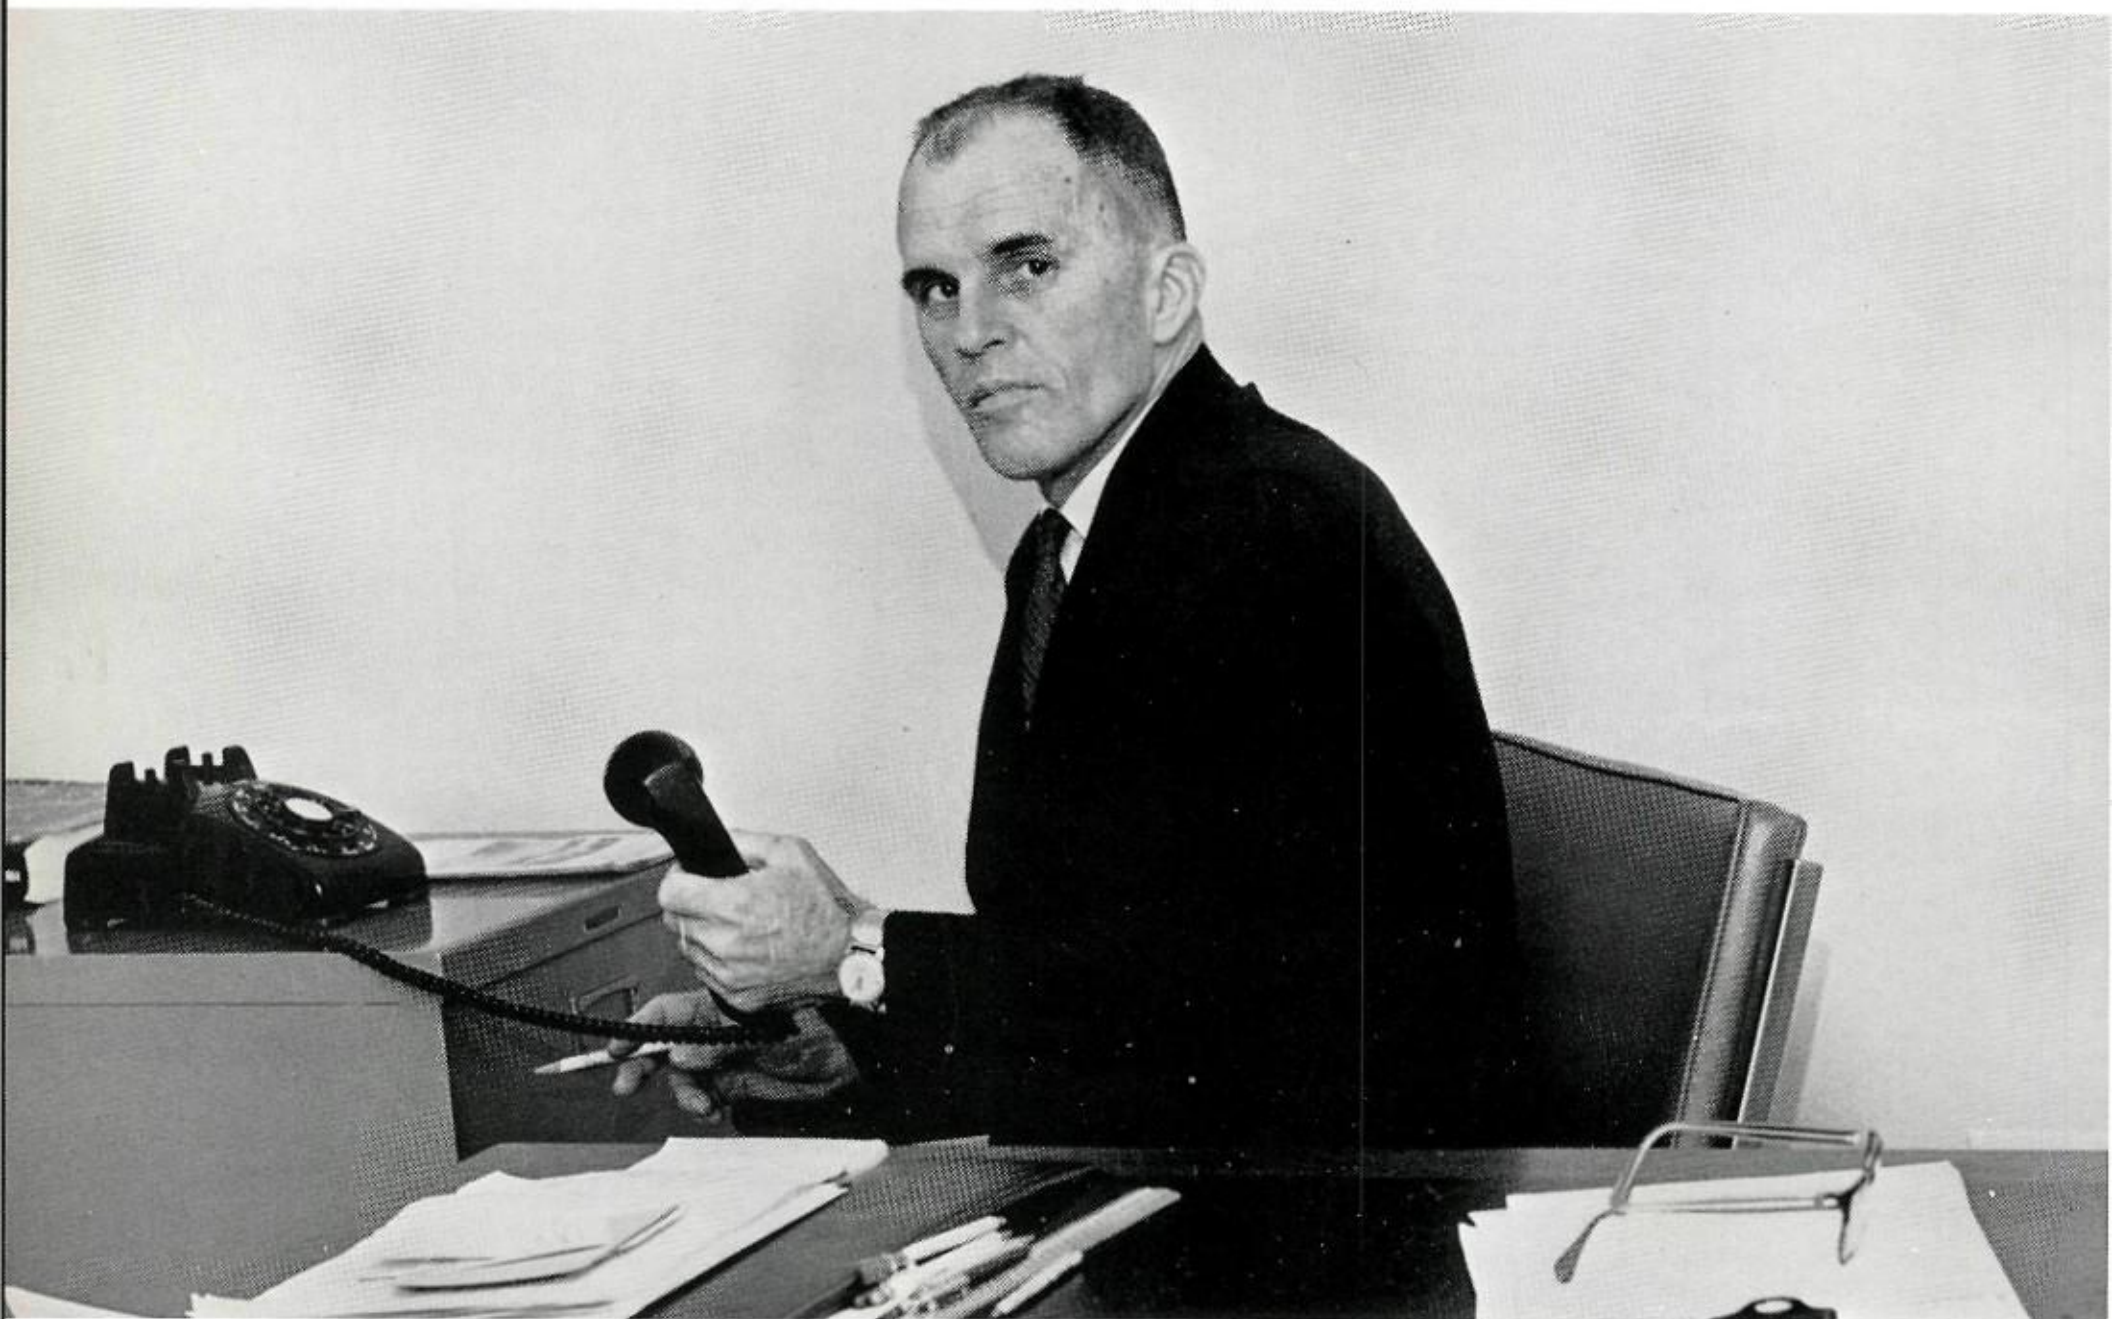

The high degree of excellence which the Dulles High School Students have achieved this year is indeed commendable. Students of the future will have a job in maintaining these records.

We extend our heartiest congratulations and very best wishes to the 1964 graduates. Good luck in all of your endeavors.

Sincerely,
Edward Mercer

VALEDICTORIAN

Candy Hynes

The highlight of our 1964 commencement was the presence on the platform of Mr. John W. F. Dulles, pictured with the Honor Graduates. Mr. Dulles, who teaches History at the University of Texas, is the son of John Foster Dulles, former Secretary of State, for whom our school is named. Surely no one's presence could have been more fitting nor could the Seniors have had a more delightful surprise! We are deeply grateful to Mr. Dulles for making this evening especially memorable.

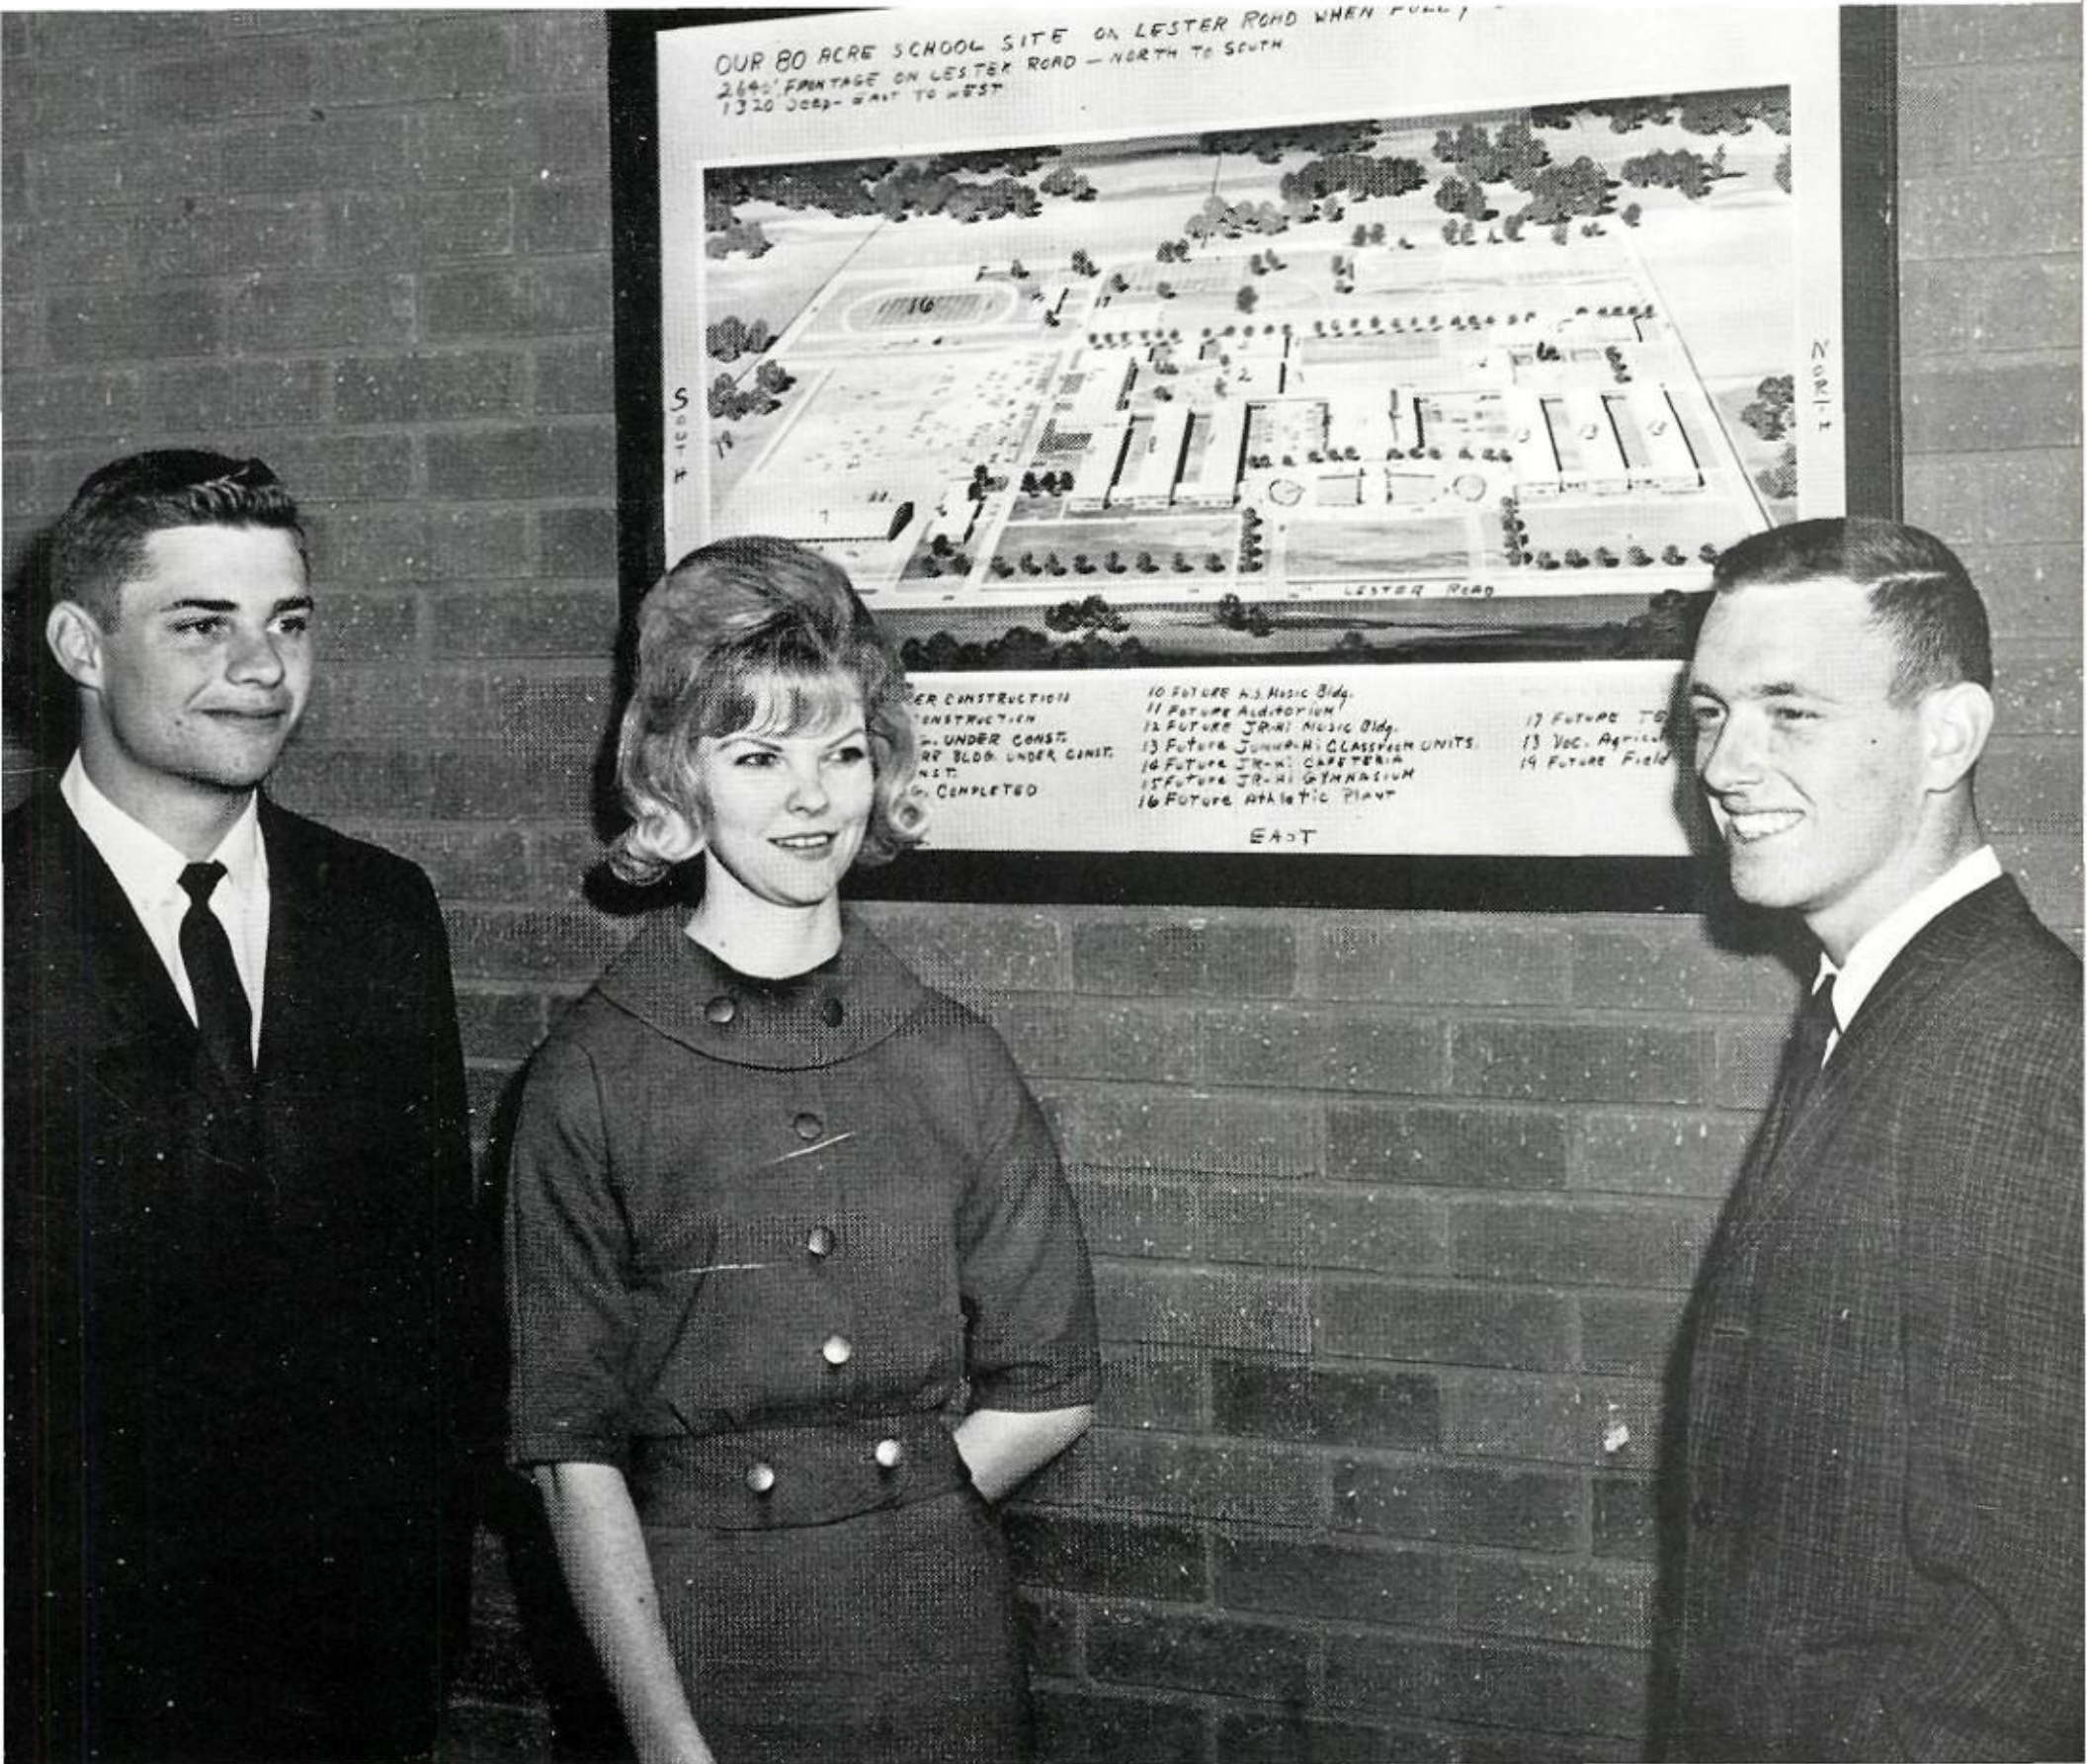

Candy Hynes, Valedictorian, was named a presidential scholar and was awarded a medal in Washington, D. C. by President Lyndon B. Johnson. Our congratulations to Candy for bringing such distinction to herself and the school!

Mr. and Miss Dulles

BETH CLUTE

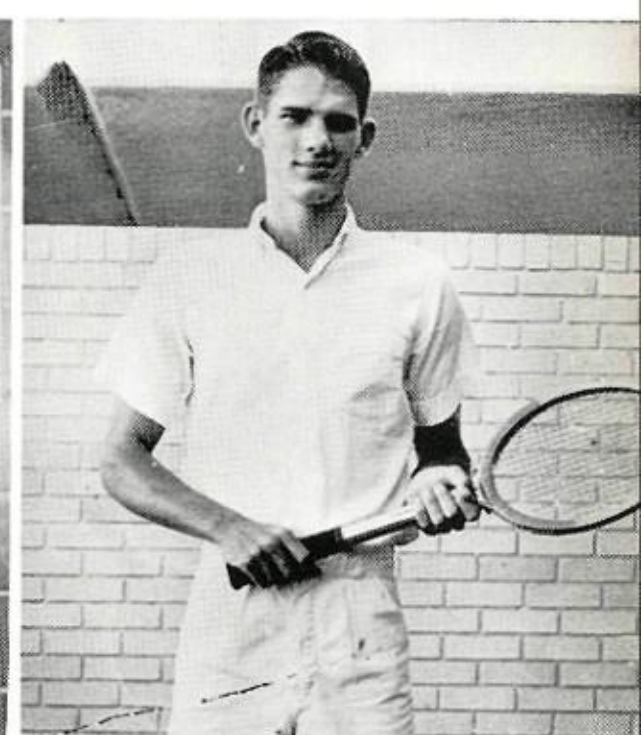

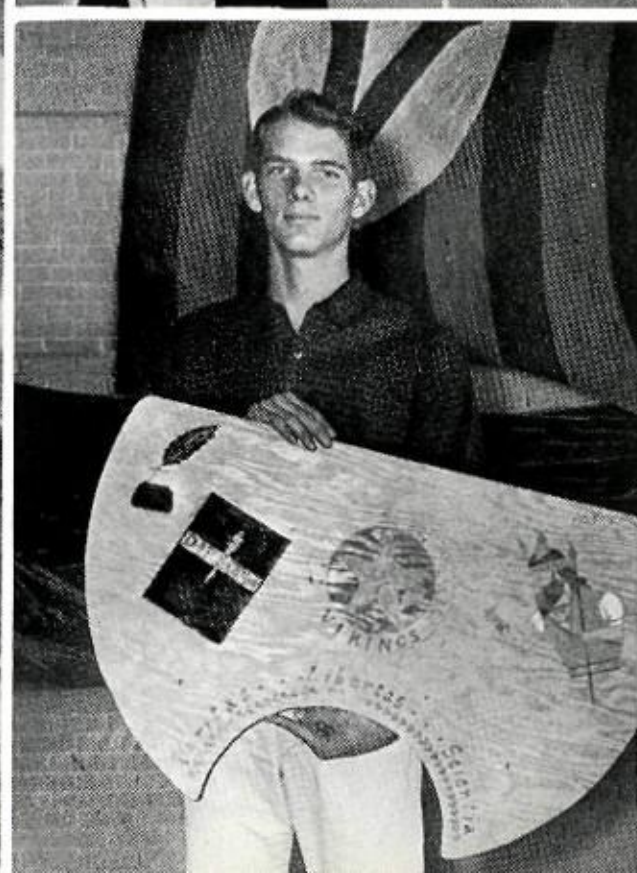

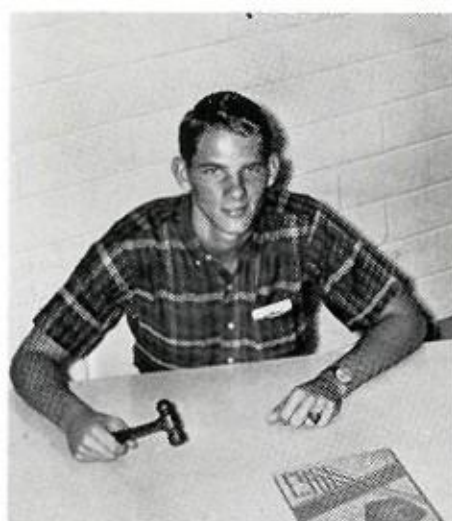

JAKIE SCHRUM

Versatility is the word for Beth Clute. Whether she was playing basketball, delivering the senior commencement address, serving with the Student Council or the National Honor Society, working diligently as the yearbook editor, being the Dulles Band Drum Major or an officer in the Speech and Drama Club, or simply relaxing as Viking Relay Queen, Beth did a bang-up job. Add to this an endearing spirit of cooperation, a delightful sense of humor and a most pleasing personality and you have Miss Dulles of 1964.

As President of the Student Council, member of the National Honor Society, Honor Graduate, officer in the FFA, member of the Tennis Team, the Basketball Team, the Good Sportsmanship League, and the Track Team, Jakie rendered a tremendous service to his school. He was pleasant, dependable and cooperative.

Certainly the highest honor that the school awards could not have gone to two more deserving students.

The 1964 Dulles Student Council had the busiest year to date! In addition to their regular activities, they attended several Council Workshops, compiled, published, and sold a Student Handbook entitled "The Skuta" and formed The Good Sportsmanship League, which is composed of member schools in the district. Dulles High was elected President of the League.

Officers of the Student Council were: Jackie Schrum, President; Johnny Bailey, Vice-President; Janie Wheeler, Secretary; Candy Hynes, Treasurer; Mary Kate Neal, Reporter; and Martha Greenwald, Parliamentarian.

The Dulles High School Band was awarded a First Division rating in both concert playing and sight reading which enabled them to complete the coveted "Triple Crown" of band competition, the Sweepstakes Award. This award represents a clean sweep of all areas of competition: Marching, Concert Playing and Sight Reading.

Throughout the school year 49 high school bands, representing all classifications in this twelve county region, participated in the various contest events. Of these, only 3 received the Sweepstakes Award.

This achievement by the Dulles Band came as a climax to an outstanding year which saw the band performing at 15 football games, various public concerts and parades, placing 6 students in the All-District Band and 1 in the All-Region Band, winning 17 First Division medals at the Regional Solo and Ensemble Contest and entering 7 in the State Solo and Ensemble Contest which was held in Austin in June.

Congratulations on a superb year!

SPECTROGRAPH NAMED TOP EXHIBIT

John Weiss, senior, received top honors in the Fort Bend Science Fair with his exhibit on "Principles of a Spectrograph." John earned first place in the Physics section and was named winner of the Senior Division and overall winner of the third annual fair held Feb. 7-8, in the Dulles Cafeteria.

The winning exhibit included a spectrograph, a device dealing with the analysis of radiation, built by John as a project for Mr. J. P. Gibbons' Physics class.

Dulles students had entered 91 exhibits in the fair's Senior Division, which was subdivided into sections of Physics, Chemistry, Biology and Math.

Other winners in the Physics section were Paul Horn and Candy Hynes, who placed second and third. Lucy Agnello, Tony Frankie and Kenneth Nugent placed first, second and third, respectively, in the Chemistry section.

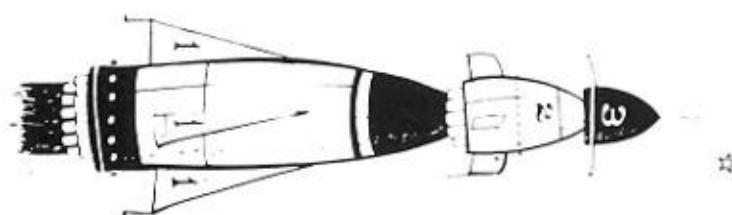

Students who won the first three places in Biology were Jerry Wheeler, Jody Hynes and Archie Milam. Those who placed in the Math section were: first, David Neal; second, Martha Suhr; and third, Candy Hynes.

Honorable mention was attributed to four students with projects in the Physics section. They were: Charles Stichler, Jackie Schrum, Charlotte Hancock and Don Bauman.

Six students with Chemistry projects received honorable mention. They were: Merijane Wheeler, Bruce Edwards, Linda Cruse, William Knox, Wanda Morris and Don Hughes. John Nugent's exhibit was given honorable mention in the Biology section.

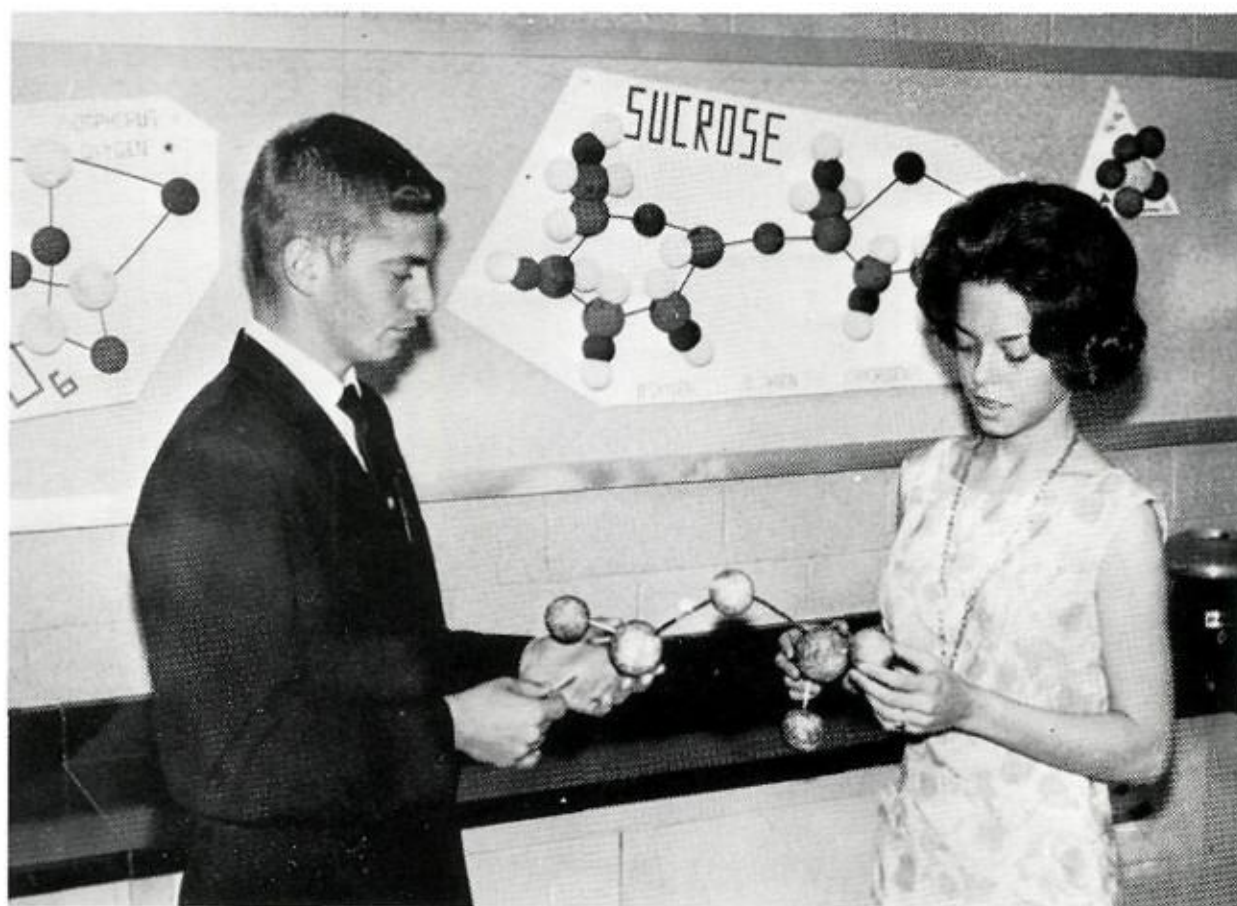

The winning students were honored with plaques, medals and ribbons at an awards program that closed the fair Saturday night, Feb. 8.

The judges in the Senior Division were: Mr. Bruce Edwards, Physics; Mr. Clifford Nygrin, Biology; Mr. Joe Hynes, Chemistry, and Mr. L. T. Howard, Math. The judges scored the entries on the basis of creative ability, scientific thought, thoroughness, skill, clarity and dramatic value.

The 1963 football season started with an exciting win over the Bellville Brahmas, 13-2. The next week the Vikings marked up another win over the Alvin Yellowjackets, 13-6. Continuing their success, the Vikings beat Dickinson, 27-6. The first defeat of the season came at the hands of the Katy Tigers, 37-20, but the Vikings, with never dampened spirits, returned the following week to trounce Ganado, 28-0. The final pre-district game with Mt. Carmel 6 and Dulles 21, set the Vikings up for the best year in the school's history of football.

NEEDVILLE-0 DULLES-14

Charles Hauerland scored the first touchdown and Ralph Senior kicked the extra point soon in the second half. An interruption by Johnny Marks set the Vikings up for their last touchdown. Red Binford on a keeper crossed the goal line from the sixth and Senior kicked the extra point.

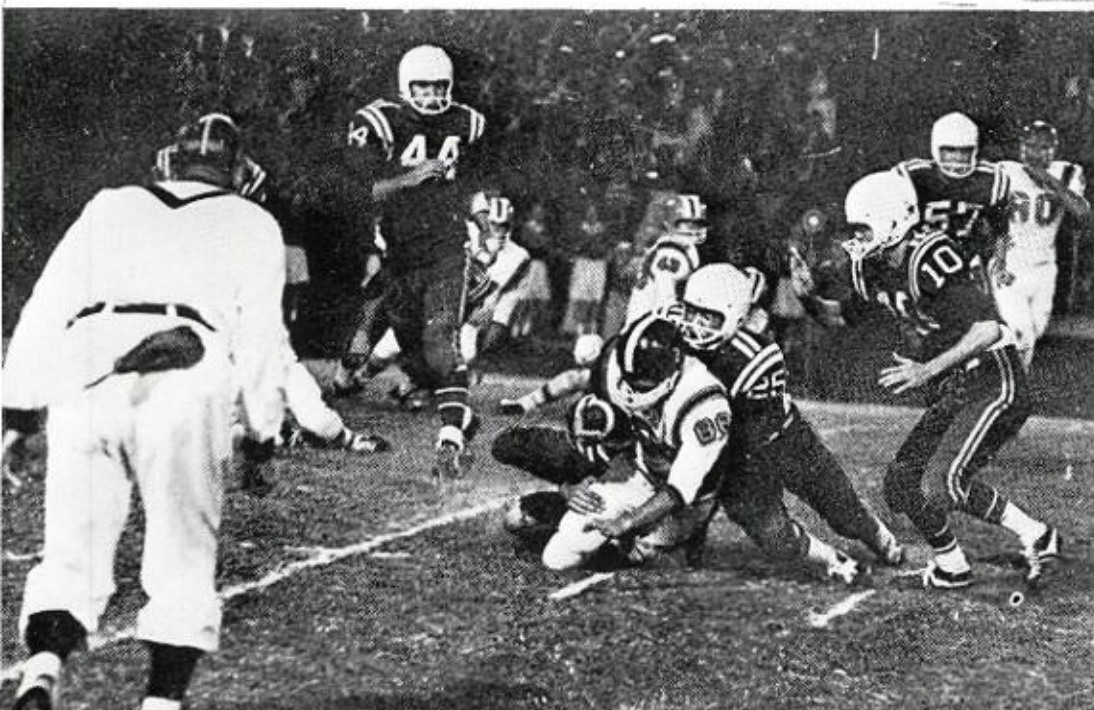

SANTA FE-0 DULLES-49

The first and second touchdowns were scored by Ralph Senior scored twice before the half. George Tanner started in the second half with two touch down passes, the first to John Keller, and the second to Gilbert Mundkowsky. Royce Reams added extra points and several first downs in the second half. The Indians failed to make a single first down.

BOLING-14 DULLES-3

Despite the fact that both teams fought valiantly, it was not until the fourth quarter that either team scored. Ralph Senior kicked a 26 yard field goal which proved to be Dulles' only score. Boling's Watkins received a scoring pass. A Dulles fumble on the 12 yard line set up Boling's second touchdown.

SWEENY-0 DULLES-15

Ralph Senior scored the only touchdown in the first half and in the 3rd quarter he kicked a 25 yard field goal. Charles Hauerland scored the final touchdown of the night with powerful runs through the line. Senior was the work-horse of the night gaining 187 of the Vikings total 315 yards. The stubborn Viking defense held the Bulldogs to only 72 yards.

PALACIOS-0 DULLES-19

A Palacios fumble, recovered by Dulles set up Charles Hauerland's touchdown. Just before the half, Ralph Senior climaxed several good runs by crossing the goal line. The third touchdown was added by quarterback, Red Binford in the fourth quarter. Ralph Senior's conversion brought the final score to 19-0.

HONDO-0 DULLES-9

A 23 yard field goal by Ralph Senior put Dulles' first 3 points on the scoreboard in the second quarter. Returning from the half, Red Binford hit Bill Tise for a 38 yard scoring pass. Neither team scored in the fourth quarter and Dulles retained its 9-0 lead.

SINTON-20 DULLES-30

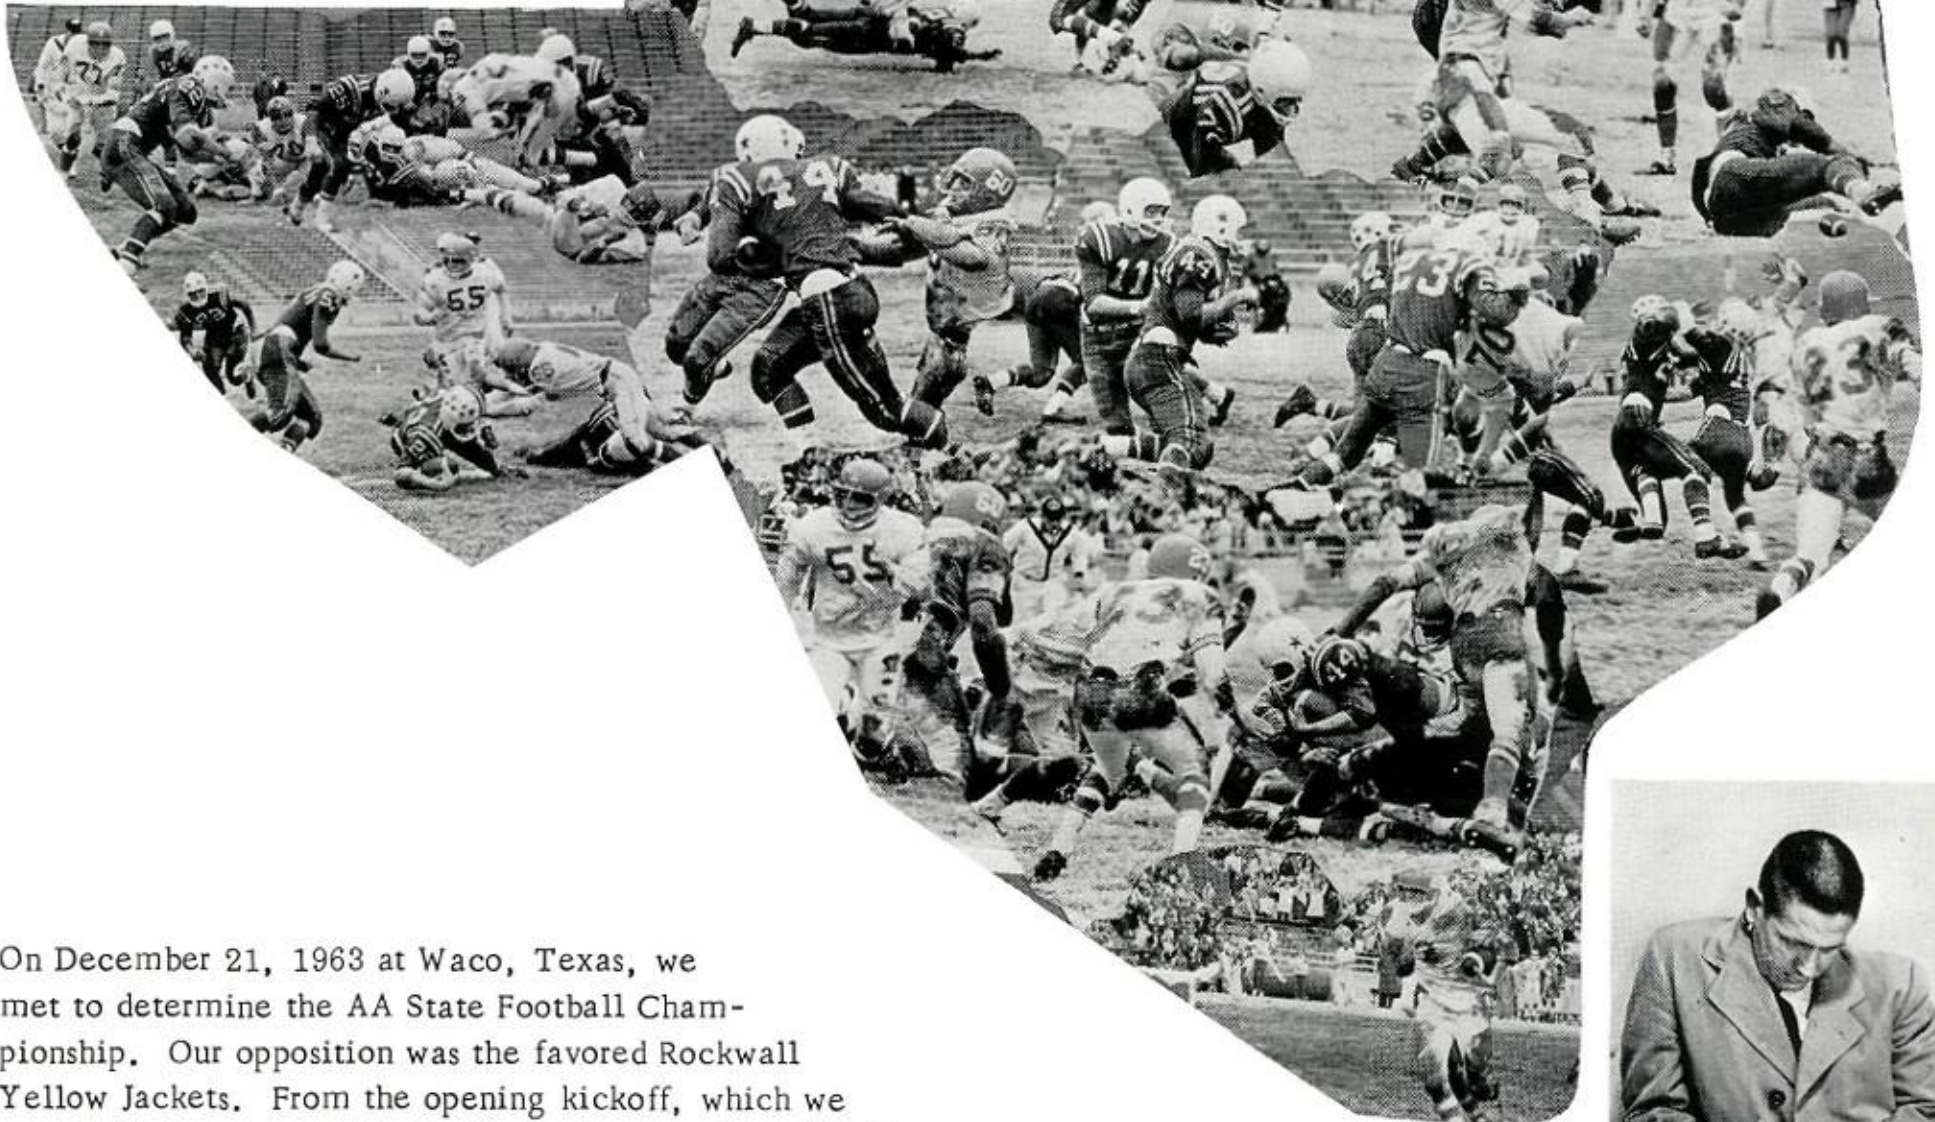

Ralph Senior made the spotlight at Victoria and scored 24 points against the Sinton Pirates. Charles Hauerland scored the remaining six points and added much necessary yardage at critical points in the game. School spirit was at its peak with this victory over Sinton to whom we lost the quarter-finals in the 1962-63 season.

LIBERTY-0 DULLES-20

"The bigger they are, the harder they fall!" The Vikings were out-weighted at every position by the 240 pound Panther defensive line, but surely not out-played. Charles Hauerland scored the first two touchdowns by brute strength and determination. Ralph Senior made the final score which cinched the semi-final championship.

State Playoff

On December 21, 1963 at Waco, Texas, we met to determine the AA State Football Championship. Our opposition was the favored Rockwall Yellow Jackets. From the opening kickoff, which we received, it was a grimly fought battle every literal inch of the way. The half found the score dead-locked 0-0. In the third quarter Ralph Senior broke loose for three substantial gains which he climaxed by crossing the goal for our first and only score. Our attempts at conversion failed. Doggedly through the fourth quarter we maintained our 6-0 lead. Then---the bombshell! With 35 seconds remaining Rockwall threw a desperation, 4th down pass which tied the score! Then they converted. Shaking our heads in disbelief, we felt like the fabled bad dream . . . perhaps it hadn't really happened . . . perhaps we weren't really there. At any rate, it was a game in which players and spectators alike ran an emotional gamut--from complete elation to utter dejection--as the accompanying photographs so poignantly depict.

Dulles has its scholars and athletes; now it has politicians, too! Twelve seniors turned from their studies to politics and county government when they took part in a County Youth Day Program, Monday, March 23.

During the youth government program sponsored by the Ft. Bend American Legion, the students visited the County Courthouse in Richmond and viewed the functions of various county offices.

This program was organized to

allow students from the county's four high schools to fill a county government position as student officer for one day. Six offices were assigned to Dulles and students to fill these offices were elected by Mrs. Frances King's civics and economics classes. The winners and runners-up visited the court house, Monday.

Those elected were: County Sheriff-Paul Horn, winner, and Travis Gandy, runner-up; County Clerk-Anita Cloyd, winner, and Pam Schmidt, runner-up; Commissioner Pct. #3-Kenneth Dinges,

winner, Johnny Bailey, runner-up; County Tax Collector and Assessor-Jerry Naill, winner, Lucy Agnello, runner-up; Drainage Officer-Jim Hamlin, winner, Bobbie Howard, runner-up; Civil Defense, Red Binford, winner, Bobby Husbands, runner-up.

The campaigns were held last Wednesday, March 19, with the election on Thursday, March 20. The candidates handed in statements of their qualifications to Mrs. King Tuesday March 17. The winners were announced Thursday.
